Sir:

In the Notice of Allowance and Fee(s) Due dated December 26, 2006, the title of the application is incorrect.

The title on the PTOL-85 form reads "Method and System for Synchronization all Clock Sources of Semiconductor Devices".

The correct title, in accordance to Examiner Suresh Suryawanshi's December 13, 2006 amendment (Page 2 of the Notice of Allowability), should read "Method and System for Synchronizing all Clock Sources of Semiconductor Devices".

Please ensure that the Patent issues with the correct title.

Respectfully submitted,

Robert Popa
